

## Yes! Schedule me for a **FREE** Solar Evaluation

---

There are many factors in determining whether solar electric power will be a good investment for you, including your roof's solar orientation and exposure to sunlight, as well as the amount of energy you currently use. To get started now, please complete the form below so we can begin your free evaluation to determine if your home or business is a good candidate for a solar electric power system.

We conduct your initial solar evaluation by analyzing the following factors:

- Roof and property solar orientation
- Electrical usage - electric bill analysis

If you prefer to send us an e-mail, please e-mail requests for your free solar evaluation to [info@floridasolarpowergroup.com](mailto:info@floridasolarpowergroup.com).

Or, if you find it easier to call, please dial 1-877-wysolar

Your information will be kept strictly confidential.

**We do not sell, rent or share your information.** [Privacy Notice](#).
